To

The Firms dealing in Cotton Waste.

Enquiry No. 11331.

Subject :—Supply of Cotton Waste for the several Departments.

Gentlemen.

No. S.P.C. 35251-65. Sealed tenders will be received for the supply of the following materials :—

1. White Cotton Waste for cleaning High Class Machinery.
2. Coloured Cotton Waste for Cleaning Ordinary Machinery.

The following conditions will apply to the tenders and the contract to be fixed up on the basis of the tenders.

1. The rates to be quoted should hold good for all supplies required by the several departments of Government from 1st January 1953 to 30th June 1953. Should there be any reduction in price during the period, the benefit of sach reduction should be given to us. The prices will be subject to revision according to the ceiling prices, if any, fixed by the Textile Commissioner with the Government of India, Bombay.
2. No definite quantity can be guaranteed to be purchased. The contract should therefore be deemed to be limited to the actual quantities that may be indented for, during the contract period.
3. The material must be supplied as and when required by the several departments, each indent being complied with, within a week from the date of receipt of the indent.
4. Samples of the meterials offered should be sent in duplicate in quantities weighing not less than 1 lb. each, with lable indicating name of tendering firm and quality.
5. The rates to be quoted should hold good for delivery (1) at the premises of the several offices or stores in Bangalore and (2) or f.o.r. any Railway Station in the State. Otherwise the tenders will not be considered.
6. The successful tendering firm will be required to execute an agreement binding itself to perform the contract satisfactorily and deposit Rs. 100 as security.
7. The quotations and samples should be submitted so as to reach the undersigned not later than 15th December 1952.
8. Sales-tax, if payable, should be included in the prices. Tenders will be opened at 2 P.M. on the next working day after the closing date.
